

Professional Level

2011

To register, please call the American Red Cross - Badger Chapter or register online, unless noted otherwise. Phone: 608-232-5840

The courses available through the Professional Level include: Bloodborne Pathogens Training, CPR/AED for the Professional Rescuer, and Emergency Response. These courses are considered appropriate for professional-rescuers (persons required to give care as a part of their job). Please take a look at the offerings and choose a course that fits your needs.

Course Materials (Participant's Manuals, Ready-Reference Skills cards, etc.) are not included in registration costs. Materials are available for purchase during class, online, or at the Chapter Office. Participants also have the option to download materials FREE OF CHARGE at www.redcross.org/cprpro.

CPR/AED for the Professional Rescuer/Healthcare Provider

Cost: \$110.00

This course teaches professional rescuers (those with a duty to respond and provide care) the skills needed to respond appropriately to breathing and cardiac emergencies, including the use of an automated external defibrillator for victims of sudden cardiac arrest. The course also includes two-person CPR and the use of breathing devices.

Course Length: Approx 8.5 hours

Certifications Received: CPR/AED for the Professional Rescuer/Healthcare Provider (valid 2 years)

Date	Day	Start Time	End Time	Training Center
September 24	Saturday	9:00am	4:00pm	American Red Cross - Madison

Course Materials (Participant's Manuals, Ready-Reference Skills cards, etc.) are not included in registration costs. Materials are available for purchase during class, online, or at the Chapter Office. Participants also have the option to download materials FREE OF CHARGE at www.redcross.org/cprpro.

CPR/AED for the Professional Rescuer/Healthcare Provider

REVIEW

Cost: \$90.00

This course, appropriate ONLY for persons with current CPR/AED for the Professional Rescuer certification, reviews skills needed to respond appropriately to breathing and cardiac emergencies, including the use of an automated external defibrillator for victims of sudden cardiac arrest. This course, geared toward those with a duty to respond, also includes two-person CPR and the use of breathing devices.

Course Length: Approx 6 hours

Certifications Received: CPR/AED for the Professional Rescuer/Healthcare Provider (valid 2 years)

Date	Day	Start Time	End Time	Training Center
September 15	Thursday	5:00pm	10:00pm	American Red Cross - Madison
September 27	Tuesday	5:00pm	10:00pm	American Red Cross - Madison

Course Materials (Participant's Manuals, Ready-Reference Skills cards, etc.) are not included in registration costs. Materials are available for purchase during class, online, or at the Chapter Office. Participants also have the option to download materials FREE OF CHARGE at www.redcross.org/cprpro.

Bloodborne Pathogens Training

Cost: \$50.00

This course trains and provides individuals with an understanding of the intent of the bloodborne pathogens regulation issued by the Occupational Safety and Health Administration (OSHA); how bloodborne pathogens are spread; how to help prevent exposure incidents by following work practice controls, using engineering controls and personal protective equipment, practicing good personal hygiene and properly cleaning and disinfecting equipment and supplies; and to recognize, report and follow up on employee exposures to infectious materials.

Course Length: Approx 1 - 2 hours

Certifications Received: Bloodborne Pathogens (valid 1 year)

This training is only available as an online course through the Badger Chapter. To register - please visit the website www.redcross.org and click "Preparing and Getting Trained" to access the online registration system.

Emergency Response

Cost: \$400.00

This course trains individuals with the knowledge and skills necessary to work as a first responder in an emergency to help sustain life, reduce pain, and minimize the consequences of injury or sudden illness until more advanced medical help can arrive.

Course Length: Approx 55 hours

Certifications Received: CPR/AED for the Professional Rescuer/Healthcare Provider (valid 1 year), Administering Emergency Oxygen (valid 1 year), Bloodborne Pathogens (valid 1 year), Emergency Response (valid 3 years)
